Published Titles

- [Prank Master 3d](#)
 - Core gameplay, Effects
 - Alpha Potato
 - Android and iOS
- [Pawn Shop Master](#)
 - Core gameplay Loop
 - Alpha Potato
 - Android and iOS

SUMMARY

I specialize in making 3d/2d games using the **UNITY** game engine. With experience over **10 years** I focus not only on high quality games but also optimizing the development process.

I am Well acquainted with SDK deployments, Ad networks deployments, performance optimisation, custom shaders using shader graphs, HLSL and Particle effects.

I emphasize effective communications for better task management. I also love contributing to game design.

WORK EXPERIENCE

Senior Game Programmer

Kolpoverse Studios

Jan 2023 - present
